**For Immediate Release:  
July 17, 2017**

## **Another sports physical clinic scheduled at health center**

Due to popular demand, the Knox County Community Health Center will conduct another sports physical clinic. This additional clinic will be held Mon., July 31 from 9 a.m. to 3 p.m. and is especially for those youth who will be playing sports in the fall and still need to get a physical exam.

This is a walk-in clinic, an appointment is not necessary, but appointments will be accepted. The health center is located inside the Knox County Health Department, 11660 Upper Gilchrist Rd.

Nurse Practitioner Jackie Neighbarger will conduct the physical exams.

There is a \$20 fee for the exam. The health center accepts cash, checks and debit/credit cards for payment. Due to the discounted cost, insurance or Medicare will not be accepted as payment during these special clinics.

Student athletes need to bring necessary paperwork provided by the school sports program. Students are also encouraged to bring their immunization records. If students are not accompanied by a parent, they should have their paperwork signed by a parent prior to attending the clinic.

For more information, contact the medical clinic at the health department, at 740-399-8008.
