

Job Title: Dentist

Location: Mount Vernon Ohio and/or Danville Ohio

Company: Knox County Community Health Center

About Us: Knox County Community Health Center (KCCHC) is a leading dental practice dedicated to providing high-quality oral health care services to our patients. We are located in semi-rural Knox County, which offers easy access to larger metropolitan areas. As a designated dental health professional shortage area, Knox County presents unique challenges and opportunities for dental care. The KCCHC dental clinic is committed to addressing these challenges by expanding its practice and offering additional services to the underserved dental population. Our goal is to enhance access to comprehensive dental care and improve the overall oral health of the community we serve.

We are committed to creating a comfortable and welcoming environment where our patients can receive the care they need to maintain healthy smiles. Our approach focuses on patient-centered care, ensuring that each individual feel valued and respected. As part of our team, you'll have the opportunity to learn and grow in a supportive and dynamic work environment. We encourage professional development and provide ongoing training to help you stay current with the latest advancements in dental care. Join us in our mission to make a positive impact on the oral health of our community while advancing your career in a collaborative and innovative setting.

Job Type: Full-time

Job Description: We are currently seeking an enthusiastic individual to join our team as a full-time Dentist, working 40 hours per week.
