

Job Title: Registered Nurse

Location: Mount Vernon Ohio and/or Danville Ohio

Company: Knox County Community Health Center

About Us: Knox County Community Health Center (KCCHC) is a leading medical practice dedicated to providing our patients with high-quality healthcare services. We are located in semi-rural Knox County, which offers easy access to larger metropolitan areas. We aim to enhance access to comprehensive medical care and improve our community's overall health.

We are committed to creating a comfortable and welcoming environment where our patients can receive the care they need to maintain healthy lives. Our approach focuses on patient-centered care, ensuring everyone feels valued and respected. As part of our team, you'll be able to learn and grow in a supportive and dynamic work environment. We encourage professional development and provide ongoing training to help you stay current with the latest advancements in medical care. Join us in our mission to positively impact our community's health while advancing your career in a collaborative and innovative setting.

Job Type: Full-time

Job Description: We seek an enthusiastic individual to join our team as a full-time Registered Nurse, working 40 hours per week. If you have a passion for helping others and are committed to delivering high-quality patient care, this could be the perfect opportunity. We seek someone dedicated to providing compassionate care, eager to learn, and ready to contribute to a collaborative team environment. If you are driven by a desire to make a difference and grow professionally, we invite you to apply and become a valued member of our team.
